

THE SKYNET CODE OF INTERGRITY

This code identifies SkyNet values that must be adopted by individuals desired approach towards appropriate company behaviour, integrity and best practice with a focus on the integrity of individuals.

Corruption & Bribery

No financial advantage or other reward can be offered to, given to, or received by an individual or company (whether directly or indirectly) to induce or influence that individual or company to perform public or corporate functions or duties unfairly.

Protecting company assets & information

All company assets including SkyNet information, must only be used for legitimate business purposes

Complying with Laws

Avoid placing yourself in any situation where your behaviour can be deemed unacceptable or unlawful

Dealing fairly with all stakeholders

Avoid any situation that, appears to create a conflict of interests or the provision of misleading information

SkyNet Worldwide Express Ltd believes that bribery of any kind – including making or receipt of illegal payments, however big or small, destroys the integrity and ethical foundations of business. We are dedicated to a culture within Deltec in which corruption and bribery is never acceptable.

- a) SkyNet complies with all applicable laws, statutes, and regulations relating to anti-bribery and anti-corruption including but not limited to the Bribery Act 2010;
- b) SkyNet does not engage in any activity, practice or conduct which would constitute an offence under Section 1, 2 or 6 of the Bribery Act 2010 if such activity, practice or conduct had been carried
