

Bulletin – Australia Covid Restrictions

PLEASE BE ADVISED OF THE FOLLOWING INFORMATION:

Please see below the latest update on the current AU COVID restrictions / lockdown.

NSW

COVID cases the NSW have continued to grow, and the **state-wide Lockdown remain in place till 18th October 2021** additional restrictions on the movement of people including a night curfew in certain areas has been implemented in NSW. Please expect delays to the Sydney operation due to the increased restrictions, operations are continuing. Non-essential businesses remain closed

VIC

COVID19 cases VIC have not excessively increased but the **current lockdown and night curfew will remain in place till the 26th October**, conditions are being closely monitored and further determination on the restrictions will be made in the coming days. Non-essential businesses remain closed

ACT - Due to increasing COVID19 cases Canberra / **ACT has been placed in lockdown till the 23rd October**. Non-essential businesses remain closed

TAS / NT / WA / SA / QLD - Currently no lockdown / restrictions are in place.

Operations are continuing but under COVID delivery protocols of contactless delivery, although some delays may be experienced during this time.

Interstate borders are restricted for people travelling between states. Whilst this doesn't directly relate to freight movements it is expected there will be some delays when crossing at the road border check points.
