

Bulletin – Belarus / Russia / Ukraine

Dear Valued Customer

Further to our bulletin on the 28th Feb 2022, and in light of the increasing pressures on Airlines in relation to linehaul, air space safety, cost and embargo restrictions, we unfortunately have no alternative other than to temporarily suspend all services to the above destinations.

We will of course keep you updated with any further developments and you have our assurance that we will endeavour to re-open these lanes as soon as possible.

Please reach out to your dedicated Account Manager if we can assist with any further questions relating to this bulletin.

As always, our thoughts and prayers remain with the people of Ukraine at this time.
