

Bulletin – Hong Kong Tropical Cyclone

PLEASE BE ADVISED OF THE FOLLOWING INFORMATION:

A tropical cyclone "Kompasu" is approaching HK and will come within 800 kilometers of HK overnight tonight. The Observatory advise the cyclone is moving across HK and most likely to be nearest tomorrow afternoon and Wednesday (12 Oct and 13 Oct). Local weather is expected to deteriorate.

Delays are expected to last over the next 72 hours.

We will enter delay tracks on affected shipments as we receive information on www.skynetworldwide.com

If you require further information please contact the customer service department cs@skynetworldwide.com
