

Bulletin — MOLDOVA – SUSPENDED SERVICE 6th May 2022

PLEASE BE ADVISED OF THE FOLLOWING INFORMATION:

Skynet has decided to suspend our service to Moldova with immediate effect.

We have not received the expected volumes when we reinstated it to make it a viable lane.

We will confirm to you by bulletin and on our website when our service resumes.

If you require any further assistance please do not hesitate to contact our customer services team by email:
