

FUEL CRISIS IN FRANCE

17.10.2022

UPDATE

Please be advised of the following updated information received.

Due to the strike of fuel depot staffs in several areas in France, we have started to have fuel scarcity in different parts of the country.

Therefore please expect delays of deliveries and pick ups until the situation becomes normal.

We will continue to update you as we receive further updates.

If you require any further assistance, please email our cs team:-
