

Fuel Surcharge

The volatile costs of fuel for the Transportation Industry has resulted in the necessity to apply a variable Fuel Surcharge.

International Shipments	
Date	Surcharge
Aug 2019	16.5%
Jul 2019	17%
Jun 2019	16.5%

UK Domestic Road Services	
Date	Surcharge
Aug	9.5%
Jul	9.5%
Jun	9.25%

The Fuel Surcharge for International Shipments is based on the average spot price for aviation fuel as reported by the U.S Department of Energy for Domestic and Road Services the surcharge is linked to the consumer price of fuel measured by the European Commission Directorate for Energy and Transport. There is a two month lag for the Index. As an example, the average cost of fuel in May is used to determine the charge for July.

The Fuel Surcharge is not applied to Mailing Services.
