

In line with the pressure on our industry and as a direct result of the volatile price of aviation fuel, we have been forced to introduce a new fuel surcharge with effect from 01st July 2022.

International Express and SkySaver Services	
Date	Fuel Surcharge
1 st July 2022	20.25%

UK Domestic Service	
Date	Fuel Surcharge
1 st July 2022	16%

The surcharge is based on the monthly average spot prices for Kerosene-Type Jet Fuel for the U.S Gulf Coast area, as published by the US Department of Energy.

SkyNet Worldwide Express reserves the right to change the fuel surcharge index and table with or without notice. Both the amount and duration of the surcharge will be determined at SkyNet's sole discretion.

The fuel surcharge is not applied to SkyNet Mailing Service accounts.
