

## Bulletin – NEW ZEALAND – EXTENDED SLA

28TH April 2022

Please be advised due to limited flight connections to New Zealand we are experiencing a longer than usual transit time.

This has been driven by increased passenger loads and therefore less space in the hold of the aircraft.

We have looked at the current offering and we advise there may be an additional 3-5 days in delivery for our express delivery service.

We hope this to be short term and will update you accordingly as the situation improves.
